i've been broken
been here too many times
for you to ever see
cuz i'm the one and only
corous
and if it keeps on going
aint ever gonna stopping
then i might as well be
broken,broken ohh ohh yeah

X2 chorus

hey this time maybe
just maybe were done and broken
gone and sunken
suffering from your usual consequences
aint gonna ever end

chorous
and if it keeps on going
aint ever gonna stopping
then i might as well be
broken,broken and a little bit more

maybe once we live through this day
we'll be happy and joy us oh god
