(Just wanna get next to your body.)  
(I've got some free, how 'bout it?)  
(Just wanna get next to your body.)  
(Oh, baby, can't live without it.)

A million roses came today,  
Woke me up at 7 A.  
Don't you know the sun's away?  
(Did you know don't want it?)

I got the keys, no thank you, please.  
Another something I don't need.  
You know I'm not about' a cheat.  
(Did you know don't want it?)

Baby, I got everything I need.  
But I don't have you here with me.

I don't want your "do re mi."  
Don't need more diamond rings.  
If yah gonna spend, spend time on me.  
I don't want your "crack-ca-ching."  
My love don't cost a thing.  
If yah gonna spend, spend time on me.

I just want you. (Baby, just you.)  
I just want you. (No money, honey.)  
I just want you. (Baby, just you.)  
I just want you.

Got your message, got the phone.  
Don't you know I got my own?  
Just a sub for you to home.  
(Did you know don't want it?)

And yes, I saw that sexy dress.  
But no, I'm not impressed.  
I just bought it with the rest.  
(Did you know don't want it?)

Baby, I got everything I need.  
But I don't have you here with me.

I don't want your "do re mi."  
Don't need more diamond rings.  
If yah gonna spend, spend time on me.  
I don't want your "crack-ca-ching."  
My love don't cost a thing.  
If yah gonna spend, spend time on me.
