(Yeah, We about to get into it y'all)  
Oh la la la  
(You know how we do, Come on Rockstar)  
Me, You  
All we gotta do  
Is have a little, have a little  
Me, You  
All we gotta do  
Is have a little, have a little

Verse 1:

Don't let one bad apple  
Spoil what we got  
Cause you know that  
She did you wrong  
She been around the block  
But that ain't me  
Don't paint me baby  
With that same ol' brush  
If you just take a leap of faith  
It's all a matter of trust

Chorus:

These 3 words  
One for three  
Tell you what you mean to me  
These 3 words  
Have you heard  
That you're my everything  
Cause there's no one else who rocks my world  
You know I'll always be your girl  
These 3 words  
One for three  
Say what you mean to me (Uh, Don't it feel so good)

Verse 2

One bite  
Two times shy  
She took you for a ride  
She burned you  
And you learned to  
Believe that love's a lie

If you doubt me  
You don't know me baby  
Nothing to do with us  
If you just take a leap of faith  
It's all a matter of trust

Chorus:  
These 3 words  
One for three  
Tell you what you mean to me  
These 3 words  
Have you heard  
That you're my everything  
Cause there's no one else who rocks my world  
You know I'll always be your girl  
These 3 words  
One for three  
Say what you mean to me

Me, You  
All we gotta do  
Is have a little, have a little  
Me, You  
All we gotta do  
Is have a little, have a little

If you doubt me  
You don't know me baby  
Nothing to do with us  
If you just take a leap of faith  
It's all a matter of trust

Chorus:  
These 3 words  
One for three  
Tell you what you mean to me  
These 3 words  
Have you heard  
That you're my everything  
Cause there's no one else who rocks my world  
You know I'll always be your girl (Be your girl)  
These 3 words  
One for three  
Say what you mean to me  
(Say what you me to me )

These 3 words  
One for three (Ohh ohhh)  
Tell you what you mean to me (You're my everything)  
And these 3 words  
Have you heard

That you're my everything  
Cause there's no one else who rocks my world  
You know I'll always be your girl (Be your girl)  
These 3 words  
One for three  
Say what you mean to me
