[English Translation:]

[Now you know:]

[2x]

Now you know

The stuff that I didn't want to know

Whom how stay in my heart scaring him

[2x]

Loved you so much I started to hate you

Because I don't know what you did

Not just me eyes or my soul is calling you It's

everything all the hearts heard me but You didn't hear me

[2x]

Now you know what's wrong with me Now you know how
long Iâ'm living with your love alone

[2x]

Loved you so much I started to hate you
Because I don't know what you did
Not just me eyes or my soul is calling you It's
everything all the hearts heard me but You didn't hear
me
