your love is pain
still within me
from the deepest of my heart ,its been stolen
and i cried for its absence
where we used to burn
the charcoal is cold
and the perfume has faithfulness
more than people

alone without you i couldnt live
how hard is loneliness
your eyes just left me with regrets
my heart is hurt and crying ,regretting
calling on you
yearning for the taste of happiness
in the absence of the loved ones

to whom you are?
you are mine
my heart is yours ,its not mine
you are an angel,my heart loves you
with your sweetness my life is sweet

where are u at night , come
still the moon is awake
to see you coming
my eyes are tired awake
see all the world all of it
there is no heart in love
unless been hurt by a wound of love

you are my beloved and in my heart
there is no one but you
written a life for me and another life for him
my life became a story of a tired heart

only the yearning that is left
from everthing

to whom you are?
you are mine

my heart is yours ,its not mine
you are an angel,my heart loves you
with your sweetness my life is sweet

repeat.....
