You spin me inside outside
You know you hold me so tight
We'll dance and party all night
Mambo Mamboleo

So kiss me in the moonlight
You know it always feels right
We'll dance and party all night
Mambo Mamboleo

You're on my mind every day you are with me
And every night boy you're dancing by me
We dance united together we are one
I'll take you there baby come home with me

Ahhhhh...

Chorus

I'm in love with your voice and your laughter

And just one smile always makes me believe
Our destiny curious if you are mine
Won't you tell me that we're meant to be

Ahhhhh...

Chorus

Mambo Mamboleo, Mambo Mamboleo (x4)

When you dance with me boy
I know you feel my equal (x2)

Mambo Mamboleo, Mambo Mamboleo (x4)

Ahhhhh...

Chorus (x2)

La la la la la la la
La la la la la la

La la la la la la la
La la la la la
