promise me the nights the nights
all who were before you forgot me
come ,come,to my words,come
come,in my nights come
come by Coincidence come
come in my imagination come
come ,come,to my words,come
come,in my nights come
come by Coincidence come
come in my imagination come
come i'll sing from my heart
and sign on the both
and if go away for a secon i'll come back
with my eyes lashes
and i'll steal the star from the nights
and the night have lost it darkness
i swear of the precious
if go,please wake me up
come ,come,to my words,come
come,in my nights come
come by Coincidence come
come in my imagination come
come ,come,to my words,come
come,in my nights come
come by Coincidence come
come in my imagination come
