(Authentic)Yall thought we wasn't gone make it

(Insane)- Iz ya boy In\$ane I got the presents to ball/Elite cause we iz aint gone be no future 4 yall/ Think about it 4 boyz in the mist of it all/Signing autographs showing love 2 our fans in the mall/ If you see me in the streetz im the present-day happening/I put money in our future 4 my present-day rapping/Waz next 4 Elite just wait and see/Number 1 on the charts and thatz the whole country/ T.V. dealz in the future number 1 on the screens/Past the world to my future son because iz all in my genes/You won't fame in the future you gotta wait in line/Greatest group of the game iz just a matter of time/ Just 1 in a few thatz the oddz of underground/Don't Expect me to go to Hollywood without putting a star doon/So when you think about the Future betta think of Elite/Our Ticketz to the futures here so take ya seatz/

Chorus

We The Future,We the Future,We the Future,We the future(why),We the Future,We the future,We the future,We the future./

(Authentic)In the future people document the words that we speak/Alot a people wanna know waz in store 4 Elite/You can catch uz with cars,cloths,and all kindz of thangz/You can catch me with chains rocking a hole lot a rangz/Up in H-Town we be sitting sidewayz/The way my money stack you can't mistake it 4 a maze/We wasn't even known but now we on the charts/Got money in our face and pride in our heart/I'm Crunk and I alwayz rep my set/ my money constantly grows just like a chia pet/Got mo paper than office max/You ain't betta then none of uz you betta face the factz/You can see me pulling broads in the V.I.P/Already no itz that E.L.I.T.E/Elite till I die and ain't no stoppin/Ask my boy Ice he gone tell you what we coppin/

(Iceman)- In the future we gone be coppin BMW,and Benzes/Riding on farrari with cartia lenses/We gone be

in airforce 1's and flashing mad money/When we come
through we get all the honeys/We the future matter of
fact you know thatz right now/I'm the King of H-Town/So
give me my crown/And you no I be rolling wit Elite/And
Can't nobody touch uz cause we the hardest 2 beat./

Chorus 1x

(In\$ane)-Ay tell em wut we iz

(Everbody)- Newest thang to the game

(Until Beat Fades)
