You got your hair in a do  
Yeah cause thatÃfÂçâ, ¬Â™ s so original  
You got your Gucci bag too  
Yeah cause thatÃfÂçâ, ¬Â™ s so original  
Have you forgot yourself lately  
I guess it doesnÃfÂçâ, ¬Â™ t matter if you got the right  
shades on.

You got your hair in a do  
Yeah cause thatÃfÂçâ, ¬Â™ s so original  
Yeah cause thatÃfÂçâ, ¬Â™ s so original  
Yeah cause thatÃfÂçâ, ¬Â™ s so original

You do the robot you do  
Now everybodyÃfÂçâ, ¬Â™ s going digital  
But if you must know the truth  
ItÃfÂçâ, ¬Â™ s really not original  
Have you forgotten your babies?  
You really must remember not to leave them at the  
neighbours

You got your hair in a do  
Yeah cause thatÃfÂçâ, ¬Â™ s so original  
Yeah cause thatÃfÂçâ, ¬Â™ s so original  
Yeah cause thatÃfÂçâ, ¬Â™ s so original

Underneath that skin  
you got to learn to let it in  
Underneath that skin  
you got to learn to let it in  
Yeah cause thatÃfÂçâ, ¬Â™ s so original  
Yeah cause thatÃfÂçâ, ¬Â™ s so original  
Yeah cause thatÃfÂçâ, ¬Â™ s so original  
Yeah cause thatÃfÂçâ, ¬Â™ s so original
