Truth stay intangible, they treat us like animals
Don't expect progress, the movement's all lateral.
Upward climb result in heinous crime.
Talkin' Tulsa '21, May 31
Burnt Black Wall Street behind some pale sheets
Shit is weak
Historically, Events remain cyclical
Stories so typical the tears run dry.
Sip the Iron Wine as poetic device.
Quick to link thought like when tape get spliced
What I call a good time?
My hood and three dice.
O! Gold got this kid real nice.
I'm a atypical stereotype.
O! Gold got this kid real nice.
I'm a atypical stereotype.

Chorus:

Truth stay intangible, they treat us like animals
(4x)

They got enamored with the glamour, lost sight of our
Plight.
Doesn't take proper grammar to be able to write.
Harsh truth always heard between the lines I recite.
Change the world and I'll change my gripes.
Change the world and I'll change my gripes.
Sip the Iron wine at such great heights I ain't
Conscious.
Speak for the paupers, griots, and the authors.

Chorus:

Truth stay intangible, they treat us like animals
(2x)

They got enamored with the glamour, lost sight of our
Plight.
Doesn't take proper grammar to be able to write.
Harsh truth always heard

Truth stay intangible, they treat us like animals
(2x)

Change the world and I'll change my gripes.
Change the world and I'll change my gripes.

Truth stay intangible, they treat us like animals
(1x)

Sip the Iron wine at such great heights I ain't
Conscious.
Speak for the paupers, griots, and the authors.

Truth stay intangible, they treat us like animals
(2x)

Sip the Iron wine at such great heights I ain't
Conscious.
Speak for the paupers, griots, and the authors.

Truth stay intangible, they treat us like animals
(2x)

Sip the Iron wine at such great heights I ain't
Conscious.
Speak for the paupers, griots, and the authors.
Diseased try to lead? They lost us.

Truth stay intangible, they treat us like animals
(4x)
