Lost all his hope, the king is crying
Down on his luck, his kingdom is dying

No way out, no way back
Legions of evil about to attack

Brave days of old, burned to the ground
Pain and destruction, a thunderous sound
Unholy sound
Darkness around

Alone in his chamber the king is crying
His sword to ground in a rage of pain
Darkness around him, darkness inside his
Stone cold and long lost broken heart

Alone in his chamber the king is crying
The tears from his eyes fill an empty room
Sorrow around him, sorrow inside his
Stone cold and long lost heart of black

His last prayer sent, nothing left to believe in
Wasted all men, wasted his freedom

No way out, no way back
Legions of evil about to attack

Brave days of old, burned to the ground
Pain and destruction, a thunderous sound
Unholy sound
Darkness around

Alone in his chamber the king is crying
His sword to ground in a rage of pain
Darkness around him, darkness inside his
Stone cold and long lost broken heart

Alone in his chamber the king is crying
The tears from his eyes fill an empty room
Sorrow around him, sorrow inside his
Stone cold and long lost heart of black
