The cowboy came frm out of the west  
With his snakeskin boots and his bulletproof vest  
Gang of goons and his big war chest  
Fortunate son he was doubly blessed  
Corporate cronies and the chiefs of staff  
Bowin' to the image of the golden calf  
Startin up wars in the name of god's son  
Gonna blow us all the way to kingdom come

Man of god, man of god  
That ain't the teachings of a man of god  
Man of god, man of god  
That ain't the preachings of a man of god

Coalition of the willing and the judgmental  
Patricians, politicians, and the fundamentalists  
You never have to tell them how the money's spent  
You never have to tell them where their freedom went  
Homophobes in the high command  
Waitin' for the rapture like it's disneyland  
Hide all the bodies from out of view  
Channel all the treasure to the chosen few

Man of god, man of god  
That ain't the teachings of a man of god  
Man of god, man of god  
That ain't the preachings of a man of god

If I could I surely would  
Stand on the rock where moses stood  
Look out people now we're gonna get fleeced  
By a wolf masquerading as a man of peace

Jesus said blessed are the meek  
Jesus said you gotta turn the other cheek  
Jesus said help the poor and the weak  
If he lived today he'd be a liberal freak  
All the money changers would be out on the street  
Weepin and wailin and gnashin their teeth  
Me I'm waitin on the reckoning day  
When the whole world gonna rise up and say

Man of god, man of god  
That ain't the teachings of a man of god  
Man of god, man of god  
That ain't the preachings of a man of god

Man of god, man of god  
That ain't the teachings of a man of god  
Man of god, man of god  
That ain't the preachings of a man of god
