Something pulls me back to you  
Something makes me "hiding away"  
Hard to be strong, when it feels go inside  
Trying to lose control

My own heart still longs to see  
What my eyes have never dared to touch  
Holding me back, when I need to let go  
It's not how it's meant to be

So hard to stay away from you - so hard to stay apart  
Can't keep myself from touching you - still we're  
Strangers from the Heart

Counting the days, the hours we spent  
Writing letters I will never sent  
I know this is wrong but it feels good inside  
Heaven is where you are

So hard to stay away from you - so hard to stay apart  
Can't keep myself from touching you - still we're  
Strangers From The Heart

Still it's my life that I'm living  
This is what I did choose  
I just can't keep from feelin'  
But there is so much left to lose!

So hard to stay away from you - so hard to stay apart  
Can't keep myself from touching you - still we're  
Strangers From The Heart
