"Where My Treasure Lies"

Hear the songs we sing to you for you I give my heart I
will store my hearts desires where my treasure lies
And I'll
Sing to heaven
Sing to God
Sing forever
Thank you Lord
For loving me
For saving me
Answering my prayers
And here I stand and
Here you stand with me
There my treasure lies

In this world we fall into harm and into temptation keep
my hearts safe in your arms and when I call your name
I will
Sing to heaven
Sing to God
Sing forever
Thank you Lord
For loving me
For saving me
Answering my prayers
And here I stand and
Here you stand with me
Here my treasure lies
