I bought a ticket on a sinkin' ship, I was swept away on  
a lover's trip  
Held my breath an jumped on in, now I can't get out  
My heart can't feel and my eyes can't see, I'm a  
prisoner of what use to be  
Walkin' in circle's an talkin' to me, Baby there's no  
doubt

(Chorus)

I'm alone down here, deep an away, drownin' in  
lonesome, in my own kinda  
Hell  
I'm prayin' for daylight, on the world's longest night,  
Oh I think my sun  
Has disappeared  
An left me, Alone down here

I'm learnin' all about layin low, it sure is quite where the  
wind don't  
Blow  
As long as me an time don't freeze I'll get out somehow  
Wish I could wish myself a road, I'd climb up where  
there's light an hope  
An never look back at this big ole hole, but that's all  
dreamin' now

(Chorus)

I'm alone down here, deep an away, drownin' in  
lonesome, in my own kinda  
Hell  
I'm prayin' for daylight, on the world's longest night,  
Oh I think my sun  
Has disappeared  
An left me, Alone down here

Anyone stops to see what's left of of you an me

(Chorus)

I'm alone down here, deep an away, drownin' in  
lonesome, in my own kinda  
Hell

I'm prayin' for daylight, on the world's longest night,  
Oh I think my sun  
Has disappeared  
An left me, Alone down here
