Sunday morning, praise the dawning  
It's just a restless feeling by my side

Early dawning, Sunday morning  
It's just the wasted years so close behind  
Watch out, the world's behind you  
There's always someone around you who will call It's  
nothing at all  
Sunday morning and I'm falling  
I've got a feeling I don't want to know

Early dawning, Sunday morning  
It's all the streets you crossed, not so long ago  
Watch out, the world's behind you  
There's always someone around you who will call It's  
nothing at all  
Watch out, the world's behind you  
There's always someone around you who will call It's  
nothing at all  
Sunday morning  
Sunday morning  
Sunday morning
