Let me die in a sea of fear
Let me drown all my miseries
I'm jumping in to hide my pain
And slowly disappear

I can complain
I've lost everything that matters
I wanna hold my breath count to ten
And hope you let me go

Cuz I wanna die in that sea of fear
Let me drown all my miseries away
I'm jumping in to hide my pain
And slowly disappear

I used to cut my wrists
And cry my pain out
But I burn my arm
And try to hide the tears

Let me die in a sea of fear
Let me drown all my miseries away
I'm jumping in to hide my pain
And slowly disappear

No one would care if I werent here
No one would notice if I forgot my life
And jumped so...

Let me go I wanna drown
It would be the only time I'm happy anymore
It would be the first time
In a long time I'll smile

So let me die in that sea of fear
Let me drown mt miseries all away
I'm jumping in to kill the pain
And slowly disappear

So I'm gonna hold my breath
And count to ten...

Let me dissappear...
