Oh what's this I'm feelin
I just can't explain
Loveig you
Makes me crazy

Try to hide it
Tried not to show it
I love you
How it could be

Coz I just want to hear your voice
Say my name sound so so sweet
Coming from the lips of
The angel
Hear those
And makes me weak
Coz I don't want you too say goodbye

Your love is all I have...
In the lips of the angel

Coz I wanna see everytime
Your love makes shine
I can't hide this
But I really
Wanna hear vioce...

(Repeat chorus twice)

In the lips of the angel...

Ooohhhohhhhohhhhohhho
