Itsy Bitsy Spider, waiting on the wall  
You Better watch out or she will have you caught

It is a constant strain, constant pain watching you deny  
That her plans to catch you, stars when you tell lies  
No matter how obvious you seem like you're blind  
Can't you feel problems that creep up from behind

Baby, you are not a boy there are things that you  
should see  
The strings she's tied you must cut loose, it's up to you  
not me,  
It's up to you not me

Itsy, bitsy spider climbing on the wall  
Better watch your step on in her web you'll fall  
Spin you round in circles in a net of doubt  
Baby if you're stuck I'm done with you  
Cause I won't get you out

The way she's got you worked out she can't have no  
rest  
You must wake up she's crawling in our nest  
You're hands are tied we are stuck in a web of lies  
I think it's time that we said our goodbyes

Baby, you act like a boy there are things I know you'll  
see  
The strings we tied I cut you loose you're not a man to  
me,  
you're not a man to me

Itsy, bitsy spider climbing on the wall  
Better watch your step on in her web you'll fall  
Spin you round in circles in a net of doubt  
Baby if you're stuck I'm done with you  
Cause I won't get you out

Itsy Bitsy Spider climbing all over my wall, I'm telling  
you  
Everyday a new mess, cause you are so spineless  
Denying when you can, she's trying to steel my man

Baby don't you know that it in the end  
If she managed to convince you I'd rather be her best  
friend

Itsy, bitsy spider climbing on the wall  
Better watch your step on in her web youâ€™ ll fall  
Spin you round in circles in a net of doubt  
Baby if youâ€™ re stuck lâ€™ m done with you  
Cause I wonâ€™ t get you out.....  
HAHAHAH
