(Lovesick) No longer, 'cause now I'm over you
(Lovesick) I'm stronger and it feels so good
(Lovesick) No longer, so what you gonna do?
(Lovesick) Understand, it's a fact
I'm not lovesick

I don't wanna be rude
But now you're lost in my hood
You better follow my rules
You're bad news boy
Feels like a badly disease
The way you're looking at me
And it's so easy to see
You're bad news boy

Aaaaaah
Don't you push it , push it
Aaaaaah
Lovesick
Don't you push it too far
Aaaaaah

(Lovesick) No longer, 'cause now I'm over you
(Lovesick) I'm stronger and it feels so good
(Lovesick) No longer, so what you gonna do?
(Lovesick) Understand, it's a fact
I'm not lovesick

I don't wanna be cruel
It's just the things that you do
How you're bending the truth
It's uncool boy

Why don't you try to behave
Instead of ruining my day
You're not in my hall of fame
You're bad news boy

Aaaaaah
Don't you push it , push it
Aaaaaah

Lovesick
Don't you push it too far
Aaaaaah

(Lovesick) No longer, 'cause now I'm over you
(Lovesick) I'm stronger and it feels so good
(Lovesick) No longer, so what you gonna do?
(Lovesick) Understand, it's a fact
I'm not lovesick

Understand, it's a fact
I'm not lovesick

{2X}
Face it
Sure I'm looking tasty
Now you're going crazy
I will show you how to treat a lady

I'm not lovesick

{2X}
(Lovesick) No longer, 'cause now I'm over you
(Lovesick) I'm stronger and it feels so good
(Lovesick) No longer, so what you gonna do?
(Lovesick) Understand, it's a fact
I'm not lovesick
