Just why I stayed around  
When all I found was a heartache  
I believed your every word  
Didn't know the hurt and pain that you'd make

But why did it take so long  
Alas, now I've seen the light  
I found the heart to say

No more the fool  
Who waits around  
Waitin' for you to bring me down  
Those days are gone now

No more the nights  
Layin' awake  
Cryin' and waitin' for the day to break

No more the sound as my dreams fall and hit the  
ground  
While I'm waitin' around  
No more the fool

You thought I'd break  
Then you were wrong  
That I wouldn't see what's goin' on  
But I knew

Here I am  
I'm alive  
And you'll see I'll survive  
Without you

And I won't be the one who comes runnin'  
It ain't like it used to be  
It's your turn to run to me

No more the fool ...  
All the nights I waited for you to call  
I waited for a sign that you would stay  
But it's so clear

You didn't care at all

No more the fool

No more the fool  
Who waits around  
No more the fool  
No more the clown  
No more the fool

No more the sight  
No more the sound  
And hit the ground  
No more the fool

No more the fool ...  
No more the fool  
No more the sight  
No more the sound  
No more the fool
