Roll down on the floor in my bedroom  
Right here right now  
I used my favorite drink to get me off  
...  
All I wanna do is get away  
I'll be fine 'cause I'm heading for my sweat escape

...

(Chorus)  
Dancing in the dark with the boy I met in paris  
Sitting in the front row of my radio show  
Underneath the stars, stole my heart with his rhythm  
We were dancing in the dark, dancing in the dark

...

Time after time  
I'm daydreaming of a night with you
