Dyin' flame, you're free again
Who could love, do that to you
All dressed in black, he won't be comin' back
Save your tears
Got years and years
The pains of seventeen's
Unreal they're only dreams
Save your cryin' for the day

Fool if you think it's over
'Cause you said goodbye
Fool if you think it's over
I'll tell you why
New born eyes always cry with pain
At the first look at the mornin' sun
Fool if you think it's over
It's just begun

Miss Teenage Dream, such a tragic scene
He knocked your crown and ran away
First wound of pride, and how you cried and cried
But save your tears, got years and years

Fool if you think it's over
'Cause you said goodbye
Fool if you think it's over
I'll tell you why...
New born eyes always cry with pain
At the first look at the mornin' sun
Fool if you think it's over

It's just begun

(Fool if you think it's over)
(Fool if you think it's over)

I'll buy you first good wine
We'll have a real good time
Save your cryin' for the day

That may not come
But anyone, who had to pay

Would laugh at you and say

Fool if you think it's over
'Cause you said goodbye
Fool if you think it's over
I'll tell you why

I'll buy you first good wine
We'll have a real good time

Fool if you think it's over
I'll tell you why
New born eyes always cry with pain
At the first look at the mornin' sun
Fool if you think it's over
It's just begun
