Set me a range
In between to align and
I'll tell you something
About some shit that
You try to waste but,
But you can't get through
Won't you cut me a line?
Dropped me off where sad songs are written...
I'm full but still I will be
Dropping on but simple fucking
HATE (simple fucking)
HATE (simple fucking)
HATE (simple fucking)
HATE (primal fucking)

Set me a range
In between to align and
I'll teach you something
About the shit that
You can't respect, well...
Returns to you
Won't you cut me a line?
Dropped me off where sad songs are written...
I'm full but still be
Dropping on but simple fucking
HATE (simple fucking)
HATE (simple fucking)
HATE (simple fucking)
HATE (primal fucking)

We bring you hate
We bring you HATE
