Out of the rain
Under the shelter
I've been so long
Where the sun don't shine
Standing at the crossroads
Could have went either way
But now I've found you
And the storm is behind

Out of the rain
Out of the rain
Out of the rain

Over the wall
I'm out in the open
Back on the right tracks
I'm feeling no pain
You took a sparrow
Let it fly like an eagle
I can see a long way
I feel love again

Out of the rain
Out of the rain
Out of the rain

It took your sweet love
To pull me out of the canyon
And I believe I can make it now
I feel like I belong

Out of the rain
Out of the rain
Out of the rain

Out of the rain
Oh, out of the rain
Yeah, I'm out of the rain

I'm out of the rain
Out of the rain

Out of the rain
No, no, no pain
Out of the rain
No, no, no pain
Out of the rain
No, no, no, no, no, no, no pain
Out of the rain
No more, no
Out of the rain
No, no, no, no, no, no, no pain
Out of the rain
Out of the rain
