Pearl's a singer

She stands up when she plays the piano  
In a nightclub

Pearl's a singer

She sings songs for the lost and the lonely  
Her job is entertaining folks  
Singing songs and telling jokes  
In a nightclub

Pearl's a singer

And they say that she once was a winner  
In a contest

Pearl's a singer

And they say that she once cut a record  
They played it for a week or so  
On the local radio, it never made it

She wanted to be Betty Grable

But now she sits there at that beer stained table  
Dreaming of the things she never got to do  
All those dreams that never came true

Pearl's a singer

She stands up when she plays the piano  
In a nightclub

Pearl's a singer

She sings songs for the lost and the lonely  
Her job is entertaining folks  
Singing songs and telling jokes  
In a nightclub
