You're still gone.
Maybe I should look for You.
Hiding corners,
Baby I should be there too.
It's the only we save us it's who we are to see where it
will take us
I can't run to long sorry better find ourselves now
I don't think were strong sorry but we gotta
Sort ourselves out

[CHORUS]

Heres My hand my hands you can hold on too
Wheres your hand your hand never
Think it through heres my heart my heart you can take
it through
Heres my hand my hands you can hold on too
Heres my heart my heart
You can take it with you, Hold on tight lets Remake Me
and You

If I can hold you but my grip is not strong enough
, out of my hands but you could sink us both back up
Where we went wrong all we do is question it
Holding my tounge all I want do is admit I can't run to
long sorry
Better find ourselves now I don't think were strong
sorry
But we gotta sort ourselves out

Remake Me and You Oh Oh Remake Me and You Oh Oh
Oh Remake Me and You

[CHORUS]

Heres My hand my hands you can hold on too
Wheres your hand your hand never
Think it through heres my heart my heart you can take
it through
Heres my hand my hands you can hold on too
Heres my heart my heart
You can take it with you, Hold on tight lets Remake Me
and You

[CHORUS]

Heres My hand my hands you can hold on too

Wheres your hand your hand never

Think it through heres my heart my heart you can take
it through

Heres my hand my hands you can hold on too

Heres my heart my heart

You can take it with you, Hold on tight lets Remake Me
and You
