I'm running against all odds
Trying to be something more
More then you'll ever be
You fucking poser take a look at me
And you'll see something undisguised
Something brutal, honest, no lies
Take a step back and realize
All this shit is pouring from your eyes.

Never wake up
Never walk
Never wake up
Just shut up damn stay close
Never wake up
Never walk
Never wake up
Just shut up and stay close

I'm running against the grain
Trying to do the worst I can
But my worsts' still better then your best
You mother fucker can't you see I'm not impressed
By your music, lifestyle, or anything at all
Can't even take the fall,
Because you're weak, you're down and can't resist
Revolution's coming as a fist

Never wake up
Never walk
Never wake up
Just shut up damn stay close
Never wake up
Never walk
Never wake up
Just shut up and stay close

Yeahhh just shut the fuck up
Yeahhh

Arghhh never wake up
Never walk

Never wake up!
