I used to smoke  
I used to drink  
I used to smoke, drink, play the numbers too  
I used to smoke and drink  
Smoke and drink and play the numbers too, ooh  
But now I'm standing on the corner  
Playing for me and you

Because I'm saved  
Saved  
People let me tell 'bout a  
Kingdom come you know I'm  
Saved  
Saved  
I can preach until you're deaf and dumb  
I mean it's soul saving honey  
Beating on the big bass drum

I used to cuss  
I used to fuss  
I used to cuss, fuss, bully all night long  
I used to cuss and fuss  
Cuss and fuss and bully all night long, ooh  
But now I'm standing on the corner  
You see, I know the right from wrong

Because I'm saved  
Sure I'm saved  
People let me tell you 'bout a  
Kingdom come, you know I'm saved  
Sure saved  
Ooh, I can preach to you until you're deaf and dumb  
I mean it's soul saving honey  
Beating on the big bass drum

I used to lie  
I used to cheat  
I used to lie, cheat, step on people's feet  
I used to lie and cheat  
Lie and cheat and step on people's feet  
But now I'm stepping on the floor

Salvation is my beat

Because I'm saved

Yeah I'm saved

People let me tell you bout a

Kingdom come, you know I'm saved

Sure saved

I will preach it to you till you're deaf and drum

I mean it's soul saving honey

Oh yeah

Saved, saved, saved
