Everywhere I go
I see a face we used to know
I pass a place we used to go
When you were mine

Since you went away
(Since you went away)
My hearts not free
It keeps on rainin down on me
Will there be a day when the sun will shine?

[Chorus]
I want to see the sunshine after the rain
I want to see bluebirds flying over the mountains again
Oh, where is the silver lining shining at the rainbow's
end?

When I hear your name
I start to cry
Each day's the same since your goodbye
It's like a game, forgetting you

Every night I pray
(Every night I pray)
Tomorrow brings a sunny day
And happy things
Just like the way it used to be
For you and me

[Chorus]

Everywhere I go
I see a face we used to know
I pass a place we used to go
When you were mine

Since you went away
(Since you went away)
My hearts not free
It keeps on raining down on me
Will there be a day when the sun will shine?

[Chorus]

I wanna see bluebirds flying over the mountains again
Oh, where is the silver lining shining at the rainbow's
end?
