When I wake up in the morning
And the sun is rising
Oh I don't know.
Who could you be?
Lying next to me?

(Chorus)
I'm talking on the phone
Cause I don't want to be alone
I don't know how
To be your kind of cool.
To be your kind of true...
Oh I don't know.
Oh I don't know.
I don't know.

When I wake up in the evening
And the moon is rising
I still don't know.
Oh am I the one?
Am I fun?

(Chorus)

Tell me the story of our love
Tell me the story that you're hiding
That you're stealing away.
I saw you button you collar.
I saw you press the sleeves
It wasn't for me.
It wasn't for me. x5

(Chorus)

I'm talking on the phone
I don't wanna be alone.
And I don't know
I wanted to be cool
And I wanted to be true
I don't know.
I don't know.

I don't know, I don't know.
