I can't wait to be your loving owns again

I've been dream in love

Sky with no glow

With just happy days

All i need it was somebody
To feel, to feel my love
Since the day my life was starting
I search for love

In love again..you're always on my mind
I musing you are mine
Dream and deny
In love again..your love is hard to find
I'm lucky that you're mine
Feeling so right

I need your love...yeah
I need your love
I need your love...yeah
I need your love

I can't wait to be your loving owns again
I've been dream in love
Sky with no glow
With just happy days

All i need it was somebody
To feel, to feel my love
Since the day my life was starting
I search for love

In love again..you're always on my mind
I musing you are mine
Dream and deny
In love again..your love is hard to find
I'm lucky that you're mine
Feeling so right

I need your love...yeah
I need your love
I need your love...yeah
I need your love

In love again..you're always on my mind
I musing you are mine
Dream and deny
In love again..your love is hard to find
I'm lucky that your mine
Feeling so rÃfÃ-Ã,Ã¿Ã,Ã½ght

I need your love...yeah
I need your love
I need your love...yeah
I need your love
