I can't wait to be your loving owns again  
I've been dream in love  
Sky with no glow  
With just happy days

All i need it was somebody  
To feel, to feel my love  
Since the day my life was starting  
I search for love

In love again..you're always on my mind  
I musing you are mine  
Dream and deny  
In love again..your love is hard to find  
I'm lucky that you're mine  
Feeling so right

I need your love...yeah  
I need your love  
I need your love...yeah  
I need your love

I can't wait to be your loving owns again  
I've been dream in love  
Sky with no glow

With just happy days

All i need it was somebody  
To feel, to feel my love
