It's time for everybody to listen to the sound
And all the lonely people who live beneath the ground
Don't listen to another, just listen to yourself
'Cause only change can happen when you change
yourself
I won't run and I won't hide
I only want to live, to live my life

Breathe of pain
I'm the ruler of my world
Breathe in peace
I'm the ruler of my world

Have courage of conviction in everything you do
'Cause every little action only falls onto you
And I don't want excuses to hear your bitterness
There's far too many people who want to give their best
I won't run and I won't hide
I only want to live, to live my life

Breathe of pain
I'm the ruler of my world
Breathe in peace
I'm the ruler of my world

In this life, in this life, in thÃ's life
All comes back to you

In this life, in this life, in thÃ's life
All comes back to you

In this life, in this life, in thÃ's life
All comes back to you
