"Calling"

I search for silence deep within
To stop the voices that begin
The whispers from the past, echoes in my soul
Never dies, never lies, and I cry

We're standing in an empty room
With broken dreams that I resume
Where is strength to leave behind
Tell me where is peace of mind?

Cuz I'm calling, calling, calling to the core
Help me, see me, find me
Calling, calling, how do I ignore?
Help me, show me, free me

Cuz I'm calling, calling, calling to the core
Help me, see me, find me
Calling, calling, how do I ignore?
Help me, show me, free me

Cuz I am calling, calling, calling to the core
Help me, see me, find me
Calling, calling, how do I ignore?
Help me, show me, free me
