[Soopafly]

It ain't shit like ridin' wit my niggas, watchin the world
time
Down to spend every last dollar I earn
It ain't nothin' but a thang to a youngster
It wouldn't be the same if the paper wasn't amongst us
I used to wonder what the funk was
The Bigg Homie said 'Give em what they want cuz'
I can't remember gettin high as a muthafucker
Walking by not saying hi to muthafuckers
Little mama told me, don't get it wrong its the truth, but
I
Prefer to have a nigga like Soopafly
Believe me I'm goin all out
And niggas trip when they see me up at Dogg House
And every time the Bigg Homie comes through they
rush
My nigga truck windows down, not the move, givin it up
We live it up, so we don't stop for shit
We Dogg House in your mouth, where the props for it,
come on

Chorus:

[Mr. Kane] & {LaToiya Williams}
Dogg House America {ooohhh}
My home, sweet home {ooohhhooo}
Dogg House America {Dogg House America}
My home {my home}, sweet home {hooommme}

[E. White]

Uh, like get ready for the park and jack move
Mama said super-tech the funk, back shoes
The white groove, S dot A dot SHOES
A nigga like moos best not make that move
Unless, you rockin wit the Dogg House best
Affiliated, trust, no niggas fuckin wit us
Many hate it but at least they strapped wit heat
They make it false tabloid, you froze back

These niggas must be on crack
Thinkin they can fuck around wit the cost of the town
They love to boogie, uh
One tough cookie chocolate chip dip
Wit the rockin this bitch hit top wit this hip-hop
And it don't stop (don't stop)
I make a lady go damn near crazy, I wanna treat ya
lazy
Cos my bones tryin'a go like the disco age
And when I'm finished wit your bitch I'm like get on
baby
And look its no maybes, about the game I pack
Name on tracks, supa dupa came on back
O danger, niggas give me five minutes of fame
To show you why you should be use all kane, check it
out

[LaToiya Williams]

Oh I, Oh I (oohh I), (oohh I)
Oh I, Oh I (ooohhh wwoaahhhh)
You want the funk
I can see it moving takin over your soul
Over your soul (over your soul yyeaahh)
We got that funk
We see g'd up bumpin everywhere we go
Where we go (everywhere we gooooo)
It's the music gotcha feelin the groove (ooohhh clap
your hands)
Clap your hands and make your body move
(woooaaahhhoo)

[Snoop Dogg]

Uh, Uh, we here to listen, ride and slide
And we doin the hip
Come along and ride wit this Dogg House mothership
My leg bone is connected to my knee bone
My knee bone is connected to my thigh bone
And my thigh bone is connected to my hip bone
And my hip bone is connected to my big bone, your

[Mr. Kane]

Don't plant your seeds in hollow ground
Or you'll get em all brown
