When I First Saw You Face At Night,
You Tore Me Into Two,
I Decided To Never Let You Go,
Even If You Begged Me To.

So Never Again I'll See Your Face,
Get Out Of My House,
Find Another Place,
You Went Out And Broke My Heart In Two,
So I Went To Get You Back And I Did The Same To You.

When I Came Back To My House That Night,
You Were Sat There And You Gave Me A Fright,
I Thought I Told You To Go Away,
But You Came Back That Very Same Day

So Never Again I'll See Your Face,
Get Out Of My House,
Find Another Place,
You Went Out And Broke My Heart In Two,
So I Went To Get You Back And I Did The Same To You.

So Never Again I'll See Your Face,
Get Out Of My House,
Find Another Place,
You Went Out And Broke My Heart In Two,
So I Went To Get You Back And I Did The Same To You.

You x3
