I don't want, I don't want, I don't want this crazy feeling
to stop me

I don't want, I don't want, I don't want this crazy feeling
to stop me

Break down the wall, it doesn't look too safe
But give it time and you'll learn to sway
I'm coming home to you my dear
We still did things we didn't have to do

I don't want, I don't want, I don't want this crazy feeling
to stop me

I don't want, I don't want, I don't want this crazy feeling
to stop me

I don't want, I don't want, I don't want this crazy feeling
to stop me

I don't want, I don't want, I don't want this crazy feeling
to stop me

Stop me

I don't want, I don't want, I don't want this crazy feeling
to stop me

I don't want, I don't want, I don't want this crazy feeling
to stop me

I don't want, I don't want, I don't want this crazy feeling
to stop me

I don't want, I don't want, I don't want this crazy feeling
to stop me
