Like waves to the shore, part of the ocean  
The stars high above, part of the sky  
Now I drift to you, I dream of a river  
A water so blue, wish I could live there  
Wish you were here  
Wish you were here

Like the air that I breathe, you'll always be there  
The wings that I need, when I wanna fly  
Now I drift to you, I dream of a river  
A water so blue, wish I could live there  
Wish you were here  
Wish you were here

Like waves to the shore, part of the ocean  
The stars high above, part of the sky  
Now I drift to you, I dream of a river  
A water so blue, wish I could live there  
Wish you were here  
Wish you were here  
Wish you were here  
Wish you were here  
Wish you were here  
Wish you were here  
Wish you were here
