Remember, yeah, yeah, yeah, remember!

Remember when I said "Don't touch me!",
You know that's like dangerous torture.
Remember, I said "Don't come close to me!"
Because I can't stand it, that's for sure.
I want to embrace you, want to feel you very close.
This will never end, it's a never-ending pain that I
chose.

It's like a curse.
I can't calm down
Although I feel paralyzed, paralyzed.

I'm looking for the right way out,
Still not knowing if I want to find it.
The tears in my suffering eyes
Are like a little fire.
And the bulging pain in my stomach
Makes me feel an ineffable desire.

It's like a curse.
I can't calm down
Although I feel paralyzed, paralyzed.
It's like a curse.
I can't calm down
Although I feel paralyzed, paralyzed.
Please, please, please let me be free!
Let me be free!
