Times have changed
And we've often rewound the clock
Since the Puritans got a shock
When they landed on Plymouth Rock
If today, any shock they should try to stand
Steady landing on Plymouth Rock
Plymouth Rock would land on them

In olden days a glimpse of stockings
Was looked on as something shocking
Now heaven knows
Anything goes

Good authors too who once knew better words
Now only use four-letter words
Writting prose
Anything Goes

The world has gone mad today
And goods bad today
And blacks white today
And days night today
When most guys today
That women prize today
Are just silly jiggalo's

So though I'm not a great romance
I know that I'm bound to answer
When you propose
Anything goes

The world has gone mad today
And goods bad today
And blacks white today
And days night today
When most guys today
That women prize today
Are just silly jiggalo's

So though I'm not a great romance
I know that I'm bound to answer
When you propose

Anything goes
Anything goes
