Must you dance every dance
With the same fortunate man?
You have danced with him
Since the music began

Won't you change partners
And dance with me?

Must you dance quite so close
With your lips touching his face?
Can't you see
I'm longing to be in his place?

Won't you change partners
And dance with me?

Ask him to sit this one out
And while you're alone
I'll tell the waiter to tell him
He's wanted on the telephone

You've been locked in his arms
Ever since heaven knows when

Won't you change partners
And then you may never want
To change partners again

Ask him to sit this one out
And while you're alone
I'll tell the waiter to tell him
He's wanted on the telephone

You've been locked in his arms
Ever since heaven knows when

Won't you change partners
And then you may never want
To change partners again

Change partners again
