Comes a rainstorm, put your rubbers on your feet
Comes a snowstorm, you can get a little heat
Comes love, nothing can be done

Comes a fire, then you know just what to do
Blow a tire, you can buy another shoe
Comes love, nothing can be done

Don't try hiding
'Cause there isn't any use
You'll start sliding
When your heart turns on the juice

Comes a headache, you can lose it in a day
Comes a toothache, see your dentist right away
Comes love, nothing can be done

Comes a heatwave, you can hurry to the shore
Comes a summons, you can hide behind the door
Comes love, nothing can be done

Comes the measles, you can quarantine a room
Comes a mousey, you can chase it with a broom
Comes love, nothing can be done

That's all, brother
If you've ever been in love
That's all, brother
You know what I'm speaking of

Comes a nightmare, you can always stay awake
Comes depression, you may get another break
Comes love, nothing can be done

Comes love, nothing can be done
Comes love, nothing can be done
Comes love, comes love
Comes love, comes love
