Danke Shoen, Darling, Danke Shoen
Thank you for all the joy and pain
Picture shows
Second balcony was the place we'd meet
Second seat, Gold Dutch treat, you were sweet
Danke Shoen, darling, Danke Shoen
Save those lies, darling, dont explain
I recall central park in fall
How you tore your dress, what a mess
I confess thats not all
Danke Shoen, darling, Danke Shoen
Thank you for walks down lover's lane
I can see hearts carved on a tree
Letters intertwine for all time, yours and mine that was
fine
Danke Shoen, darling, Danke Shoen
Thank you for seeing me again
Though we go on our seperate way
Still the memory stays for always
My heart says Danke Shoen
Danke Shoen, oh darling, Danke Shoen
I said thank you for mmm, seeing me again
Though we go on our seperate ways
Still the memory stays for always
my heart says Danke Shoen
Danke Shoen
I'll be the same
Danke Shoen
