Day in, day out
That same old voodoo follows me about
That same old pounding in my heart, whenever I think
of you
And darling, I think of you, day in and day out

Day out, day in
I needn't tell you how my days begin
When I awake I get up with a tingle, one possibility in
view
That possibility of maybe seeing you

Come rain, come shine
I meet you and to me the day is fine
Then I kiss your lips and the pounding becomes
The oceans roar, a thousand drums

Can't you see it's love
Can there be any doubt
When there it is
Day in and day out

I'm gonna love you like nobody's loved you, come rain
or come shine
I meet you and to me the day is fine
Then I kiss your lips and the pounding becomes
The oceans roar, a thousand drums

Can't you see it's love
Can there be any doubt
When there it is

There it is, day in, day out
There it is, day in
There it is, there it is
There, there, there it is
There it is, there it is
Day out
