Louis Armstrong and Ella Fitzgerald

Stars shining bright above you
Night breezes seem to whisper "I love you"
Birds singin' in the sycamore tree
Dream a little dream of me

Say nighty-night and kiss me
Just hold me tight and tell me you'll miss me
While I'm alone and blue as can be
Dream a little dream of me

Stars fading but I linger on dear, oh how you linger on
Still craving your kiss, how you crave my kiss
Now I'm longin' to linger till dawn dear
Just saying this, give me a little ol' kiss

Sweet dreams till sunbeams find you
Sweet dreams that leave all worries behind you
But in your dreams whatever they be
Dream a little dream of me.

----- instrumental break -----

Buzz buzz buzz buzz buzz buzz buzz buzz,
Stars fading but I linger on dear
Still craving your kiss
Yeah, I'm longing to linger till dawn dear
Just saying this,

Sweet dreams dreaming
Till sunbeams find you, keep dreaming
Gotta keep dreaming
Leave all worries behind you
But in your dreams whatever they be
You got to make me a promise, promise to me
You dream, dream a little dream of me.
