Get thee behind me, Satan
I want to resist
But the moon is low and I can't say, 'No'
Get thee behind me

Get thee behind me, Satan
I mustn't be kissed
But the moon is low and I may let go
Get thee behind me

Someone I'm mad about
Is waiting in the night for me
Someone that I mustn't see
Satan, get thee behind me

He promised to wait
But I won't appear
And he may come here
Satan, he's at my gate

Get thee behind me
Stay where you are
It's too late

Satan, get thee behind me
He promised to wait
But I won't appear and he may come here
Satan, he's at my gate

Get thee behind me
Stay where you are
It's too late, it's too late
It's too late
