Good morning heartache, sit down

Good morning heartache, you old gloomy sight  
Thought we said goodbye last night  
I turned and tossed until it seemed you had gone  
But here you are with the dawn

Wish I'd forget you, but you're here to stay  
It seems I met you, when my love went away  
Now everyday I start by saying to you  
'Good morning heartache, what's new?'

Stop haunting me now  
Can't shake you no how  
Just leave me alone  
I've got those Monday blues  
Straight through Sunday blues  
Good morning heartache, here we go again

Good morning heartache  
You're the one who knew me when  
Might as well get used to you hangin' around  
Good morning heartache, sit down

Stop haunting me now  
Can't shake you no how  
Just leave me alone  
I've got those Monday blues  
Straight through Sunday blues  
Good morning heartache, here we go again

Good morning heartache  
You're the one who knew me when  
Might as well get used to you hangin' around  
Good morning heartache, sit down, sit down
