Let me tell you 'bout a boy I know  
He is my baby and he lives next door  
Every morning 'fore the sun comes up  
He brings my coffee in my favorite cup

That's why I know, yes, I know  
Hallelujah, I just love him so

When I'm in trouble and I have no friends  
I know he'll go with me until the end  
Everybody ask me how I know  
I smile at them and say he told me so

That's why I know, I know  
Hallelujah, I just love him so

Now if I call him on the telephone  
And tell him that I'm all alone  
By the time I count from one to four  
I hear him knock, knock, knock, knock  
On my door

In the evening when the sun does down  
When there is nobody else around  
He kisses me and he holds me tight  
And tells me, "Baby, everything's alright"

That's why I know, I know  
Hallelujah, I just love him so

Now if I call him on the telephone  
And tell him that I'm all alone  
By the time I count from one to four  
I hear him knock, knock, knock, knock  
Knock on my door

In the evening when the sun does down  
When there is nobody else around  
He kisses me and he holds me tight  
And tells me, "Baby, everything's alright"

That's why I know, yes, I know

Hallelujah, I just love him so  
Hallelujah, I just love him so  
Hallelujah, I just love him so, Hallelujah
