In old Savannah, I said Savannah  
The weather there is nice and warm  
The climate's of the southern brand  
But here's what I don't understand

They've got a gal there, a pretty gal there  
Who's colder than an arctic storm  
Got a heart just like a stone  
Even nice men leave her alone

They call her, "Hard hearted Hannah"  
The vamp of Savannah  
The meanest gal in town  
Leather is tough but Hannah's heart is tougher  
She's a gal who loves to see men suffer

To tease them and thrill 'em  
To torture and kill 'em  
Is her delight they say

I saw her at the seashore with a great big pan  
There was Hannah pourin' water on a drownin' man

She's hard hearted Hannah  
The vamp of Savannah, G A

The call her, "Hard hearted Hannah"  
The vamp of Savannah  
The meanest gal in town  
Talk of your cold refrigerating mamas  
Brother she's a polar bears pajamas

To tease them and thrill 'em  
To torture and kill 'em  
Is her delight they say

An evening spent with Hannah sitting on your knees  
Is like travelin' through Alaska in your BVDs

She's hard hearted Hannah  
The vamp of Savannah, G A

Can you imagine a woman as cold as Hannah?  
She's got the right name, "The vamp of Savannah"  
Anytime a woman can take a great big pan  
Start pourin' water on a drownin' man

She's hard hearted Hannah  
The vamp of Savannah, G-A

Ooh, she's sweet as sour milk
